

Attention Community Organizations

The Centre County Grange Fair & Encampment

Announces

Good Causes on Grove Street

Read on to enter your organization's opportunity to occupy a spot on Grove Street at the 2010 Grange Fair.

Dear Community Contributor,

The Grange Fair is offering your organization a chance to feature your programs and services at this year's Grange Fair. Complete the bottom of this form to enter a drawing for a feature space in Jubilee Grove (near Headquarters and The Emporium). We will be selecting organizations in a lottery-style drawing to fill three spots per day with community organizations looking to showcase their programs.

Your group may display information, distribute pamphlets, and raise funds.*

You may use the space for as many hours of the fair day's operation as you wish - approximately 9am-10pm.

*You will need to provide documentation for small games of chance if applicable to your fundraiser.

- We will provide a 10 x 10' "easy up" covered canopy, (1) six-foot wooden table, and (1) six-foot bench.
- You will need to bring all other equipment, furniture, supplies, and materials.
- You will need to set up and tear down your own area.
- You will need to remove all materials at the end of your chosen end time.
- Representatives must be able to transport their equipment and supplies via walking from general admission parking to the venue, as there will be no vehicle access to the display site.
- All representatives must pay entry and parking fees: they are not included with the site.

Submit form by snail mail, email, or fax by August 15, 2010 at 5pm.

Those selected will be notified on August 16. (NOTE: You must save a filled out copy of this form to your computer, and email that file.)
